Please write a one page essay to respond to one of the following questions:

1) What would you do if asked to cut corners and you knew that would likely result in harm to people.
2) What do you think is the role of the engineer in society? In developed countries? In lesser developed countries?
3) Engineers are more important than architects: Discuss.

Be succinct. Responses will be read to the end of the first page; subsequent material will be ignored.

Please submit your completed PDF to the Awards Web site. Hard copy files will NOT be accepted. Questions? Email: engg_ug_awards@umanitoba.ca
